

Outreach Team Forming In YOUR Area!

Are you a parent, family member or caregiver of someone on the Waiting List?

If you are a self-advocate, looking for a way to make a difference, the **End The Wait Now! Campaign** is looking for people in key areas throughout the state to form an **Outreach Team**.

Contacting local support groups, attending a conference and manning a table for the campaign --helping people learn more about how joining the Campaign can help you become more informed about what's going on in the Legislature and happenings throughout the state!

These are ways you can help as a member of the Outreach Team.

Small stipends for transportation expenses or conference fees may be able for Outreach Team members.
